Manage Your VA Prescriptions Online With My Health*e*Vet

You can view and manage your VA prescriptions online using the pharmacy tools on My Health*e*Vet, the U.S. Department of Veterans Affairs' online patient portal.

Request VA Prescription Refills

Request refills of your active VA prescriptions online. To request a refill, the prescription must have been written by a VA provider and previously filled at a VA pharmacy.

Track Delivery of VA Prescriptions

Track delivery of some of your VA prescriptions mailed in the last 15 days and opt in to email notifications so you know when to expect your prescriptions.

Create Custom Medication Lists

Enter and track your non-VA prescriptions, over-the-counter medicines, vitamins, and supplements.

To access the pharmacy tools on My Health*e*Vet:

1. Sign in to your My Health*e*Vet Premium account at ***myhealth.va.gov***.

2. Select **Pharmacy** on the left side of your screen.

3. From the Pharmacy page, you can refill VA prescriptions, track VA prescription delivery, and more.
