Three Ways to Connect to Your Care

Access VA care at home or on the go.

My healthevet va.gov

va.gov/health-care/manage-health

Manage your VA health care online, including refilling prescriptions and viewing medical records.

VA Telehealth

telehealth.va.gov

Learn about VA telehealth services, programs, and resources for accessing VA care remotely.

VA Mobile

mobile.va.gov

Explore VA apps to help you manage your physical and mental wellness.

VA | U.S. Department of Veterans Affairs

Four Apps to Manage Your Care

VA: Health and Benefits
mobile.va.gov/app/va-health-and-benefits

Manage benefits, track claims, send secure messages to your VA care team, and refill prescriptions.

VA Video Connect
mobile.va.gov/app/va-video-connect

Have secure video visits with your VA care team.

VA Health Chat
mobile.va.gov/app/va-health-chat

Chat with VA staff to receive medical advice, refill prescriptions, and schedule appointments.

Annie for Veterans
mobile.va.gov/app/annie-veterans

Get text reminders for appointments, medications, and self-care.

Apps with a lock icon (🔒) access your VA Electronic Health Record and, for your security, require you to enter your ID.me or Login.gov account credentials.

Don't have an ID.me or Login.gov account?

Visit ***VA.gov/resources/creating-an-account-for-vagov*** to get started.
