

VA Office of **CONNECTED CARE**

*Expanding Veteran Access to Care
Through Virtual Technologies*

VA

U.S. Department of Veterans Affairs

Veterans Health Administration
Office of Connected Care

Have you heard? Technology is transforming health care at VA.

Telehealth, My Health**e**Vet, VA Mobile apps and more –
these **innovative and virtual tools** can improve the way you
receive care, communicate with care teams, access health
information and just plain ***live a healthier life.***
